

One Mind: Unified and Undivided.
Philippians 1:27-2:11

I. The results of unity in the early church.

- A. Acts 2 - reverential fear, _____ to perform signs and wonders, good thoughts and feelings for one another, glad and generous hearts, worship, _____ with all people, and people were added to the church daily.
- B. Acts 4 - _____ in strength and ability given to the apostles (preaching the word, leading), and _____: blessing, kindness and goodwill received from God.

What are the ramifications of doing your own thing or telling others how you have been wronged by someone in the church?

II. Four indications you are unified and undivided.

- A. Being of the “same” mind - to think the same way not just in doctrine, but in understanding and concern for the things of the _____.
- B. Having the same love. It is an _____ that translates to an action on behalf of someone’s need.
- C. Being in full accord - “one-souled.” A _____ in souls that are in step with Christ and each other.
- D. Being of “one” mind. Thinking the “one” thing. Intent on one _____. Doing what God told us to do together in harmony.

“We teach people to follow Jesus.”
