

***You Are...Given a Unique Role to Play.***

*1 Peter 3:1-7*

- I. *Giving women worth:*** The church started to give women worth when they were still considered property in the Greco-Roman society (young girl babies, young ladies, widows).
- II. *Men*** – your unique role is to provide and protect your wife, but there is more...
- A. You show \_\_\_\_\_ and \_\_\_\_\_ to your wife as equal and intimate partners in the Lord.
- B. When your wife feels loved, submission becomes a \_\_\_\_\_, not a hassle.
- C. When you do not show understanding and honor to your wife, your prayers are \_\_\_\_\_.
- III. *Women*** – your unique role is to line up (submit) under your husband.
- A. Submission does not mean subject yourself to abuse and \_\_\_\_\_.
- B. Submission does not imply \_\_\_\_\_. It is simply God's design for our respective roles and well-being.
1. Submission does not depend on whether your husband \_\_\_\_\_ it (1 Pet. 2:13).
  2. A gentle and quiet spirit is \_\_\_\_\_ than your outward adornment.
  3. God will use this \_\_\_\_\_ as an evangelistic tool for your unbelieving husband.
