

Right on the Money: Wants vs. Needs
Philippians 4:10-19

I. Money management helps us to identify wants and needs.

- A. Something we _____ do without is a need.
- B. Something we _____ do without is a want.

II. Money Management helps to determine between wants and needs in your life.

- A. Ask yourself the _____.
- B. _____ to your plan with budgeting.
This takes time and discipline.
- C. Learn to say, “_____.”
- D. Practice the _____ rule.
- E. Learn to become “_____.”

III. Understand that in money management you will live in times of “humility” and times of “plenty.”

- A. Look to your spiritual rewards to _____
you in both circumstances.
- B. Remember that God promises to strengthen you and meet all your needs as you seek Him _____ (Phil. 4:13; Matt. 6:33).

“We teach people to follow Jesus.”
